# Alexander Becker - One of Patriot Prayer's Steadfast Nazis

Mon, Feb 5, 2018

Alexander Wolfgang Becker is a Nazi that was in attendance at almost every Patriot Prayer event in 2017. For a long time, we've been referring to him by an alias "Mike Gainer." Now, Rose City Antifa is ready to reveal this fascist's name, address, and a full account of his organizing activities in the area, as well as his membership in the group of local white supremacists, known as the PDX Stormers.

## Who are the PDX Stormers?

website has been continuously kicked off of hosting all around the world over the last six months, it still exists on the dark web.

For some time now, forum members have been meeting in groups in public, which they call Stormer Book Clubs. In March, the Portland Stormer Book Club was kicked out of the Lucky Lab pub. Many of those participants were members of the CCC Discord server, and Corvallis neo-Nazi David Woods, along with Jimmy Marr and others, came up to meet the PDX Stormers on that occasion.

The PDX Stormers have also been notable participants in Joey Gibson's Patriot Prayer events. Despite the documentation Rose City Antifa and other allied groups, Gibson continues to welcome these Nazis at his events, where they frequently attack activists.

**Mike Gainer** I believe in race I'm not ashamed to admit it at all, and that doesn't mean one bit that I am out to persecute or hurt any man because of his race, he can't help what race he is. Simply by believing in basic 4th grade science gets me labeled as alt-right. I have never one expressed these opinions of FB, or at any one of your events **Joey Gibson**. I have always chosen to stand united with you for the things we agree on, love of ones country, love of all American people, our constitution, and the freedom for every man to say what he feels. If you truly want to divide your base then so be it. I have stood by you since your first rally, and still have the text you sent me when I did my first flag waving with you on October 3rd faulk road pedestrian overpass at 4:30. I do appreciate you taking my advice in hosting another rally in Vancouver, I know you are a man who stands up for his ideals, and listens to the opinions of others. No matter what happens the left will still say your people are alt-right until you have expelled everyone but your core group. I will still go to events in the area, even if it means there will be 3 factions, your group, the commies, and those that have been pushed away by you. I have spoken to a few alt-righters before and most of them are nothing like how the media portrays them as.

## Alexander Becker's Racist Road Rage

Alexander Becker's racism pre-dates Patriot Prayer's events, and even the Trump administration itself. Early in the morning of September 11, 2016, Becker pulled his car into a McDonalds Drive-Thru in Vancouver, WA. Ahead of him in line was a Latino man. According to the arresting officer, Becker began honking his horn and shouting racial slurs at the man. The man then got out of his car and punched Becker in the face, bloodying his nose. Becker was arrested and charged with Disorderly Conduct. The charge was held, if Becker remained on good behavior. However, as we will see below, he certainly did not.

The undersigned law enforcement officer states that the person whose name appears on the reverse side of this Pre-book/Probable Cause sheet was arrested without a warrant on the date and time shown thereon for the crimes committed in Clark County, Washington based on the following circumstances. The reverse of this sheet is hereby incorporated by evidence.

My information is derived from:

██████████  
V1- Becker, Alexander W 04/19/92

Who told me the following:

On 9/11/16 at approximately 0234 hours, V1/Alexander Becker was in his vehicle behind ██████████ in the McDonald's drive-thru located at 7010 NE Highway 99. V1/Alexander became agitated when ██████████ would not move his vehicle up to the speaker. V1/Alexander honked his vehicle's horn to get ██████████ to move up. V1/Alexander began to yell at ██████████ and yell racial slurs such as, "beaner" and "you and you're family need to go back to where they came from". ██████████ got out of his vehicle and stuck V1/Alexander in the face causing temporary pain and a bloody nose. ██████████ fled the scene prior to my arrival.

██████████ was contacted and admitted to punching V1/Alexander in the face 1-2 times. There is PC to charge ██████████ for Assault IV.

The undersigned declares and certifies under penalty of perjury under the laws of the State of Washington that the preceding statement is true and correct to the best of his knowledge.

## Becker Finds Patriot Prayer

The 82nd Avenue March on April 29, 2017 was the first time Rose City Antifa saw Alexander Becker at a Patriot Prayer event. He was there in the company of other PDX Stormers, who managed to stage a photo with the mayor.

Next we should see if we can match the RW font to the Schutzstaffel font, so it's subtle. We should also add pic attached below the peak of the helmet slap in the middle. Real nice and sharp, while maintaining the esotericism. A massive dogwhistle to those in the know, while the normie won't automatically repulse.

*At the Patriot Prayer rally on June 4, 2017, Becker is seen wearing his favorite helmet. Many internet Nazis claim that "RWSS" stands for "Right Wing Safety Squad," but in fact it is a reference to Hitler's SS, as demonstrated in the snippet of 4chan chatter included above.*

*Becker again at Joey Gibson's August 6, 2017 event marching with Patriot Prayer followers such as Jonathan Zimmerman, Kat Smart, and Ian Kramer, as well as with other known fascists.*

*On September 5th, 2017, hundreds of people rallied in downtown Portland in the wake of Donald Trump's announcement that he would be cancelling the DACA, or "Dream Act." A small number of fascists were also in attendance. At the rally, a local television station interviewed PDX Stormer neo-Nazi Jarl Rockhill, giving him a platform to spout racist rhetoric about "illegals." Alexander Becker can be seen beside Rockhill during the interview.*

*Alexander Becker attended Joey Gibson's hastily-relocated September 10, 2017 Patriot Prayer rally in Vancouver, WA along with other PDX Stormer affiliated neo-Nazis such as Jarl Rockhill and the fascist we are currently calling "Might is Right".*

*In his eagerness to attend far right rallies and spread neo-Nazi ideology, Becker apparently attempted to attend a "No to Marxism in Oregon" rally in Lincoln City on October 9th, 2017. The rally never materialized.*

Becker also showed up with other members of the PDX Stormers to the two “It’s Okay to be White” racist dog-whistle events held in Vancouver.

*At the first racist Vancouver gathering on November 13th, 2017, Becker (right) is seen next to organizer Morgan Brandfors (center), and Nazi skinhead Raul Gonzalez (left). Gonzalez carried a Hitler Youth knife to this rally on the anniversary of the murder of Mulugeta Seraw.*

Becker posts the racist slogan on his FB. Washington state neo-Nazi Bene Harrison makes a joke involving hanging up fliers with the slogan.

Alexander Becker also attended a second "It's Okay To Be White" neo-Nazi propaganda rally on November 25, 2017. He is pictured in this video composite standing with neo-Nazi pedophile Jarl Rockhill, neo-Nazi Raul Gonzalez, and Patriot Prayer leader Joey Gibson. Gibson's young child is seen standing a short distance from the group on the sidewalk.

*Becker is seen at the November 25, 2017 rally posing with Tiny Toese, who is wearing a "Pepe the Frog" mask, and also making a tortured pun about "white power," which is rendered even less funny by revelations that Becker is an un-ironic neo-Nazi.*

*After Patriot Prayer's anti-immigrant hate rally on December 9th, 2017, Alexander Becker took it upon himself to hold a miniature rendition of the "It's Okay To Be White" neo-nazi propaganda rallies which had happened twice before.*

After fliers with the slogan showed up on the campus of Clark College in Vancouver, Becker posted an article about it, and accused a member of the Clark College staff of "self hate" for speaking out against the racist postings.

"Tre Sandlin, an accessibility technician in Clark College's Disability Support Services office, said the posters were designed to divide people of color and white people on campus. "I wear the face of an oppressor," he said. "I wear of the face of a slaver, of a rapist. I don't want to be those things, but that can be very threatening to those who might be affected by it."

This is a terrible thing for him to say. He shouldn't be filled with so much self hate that he thinks the color of his skin affects others that negatively, and wants to punish himself for it. He should be okay with who he is, same with everyone else.

Given that Becker lives a mere 10 minutes from the Clark College campus, Rose City Antifa would guess that he and the PDX Stormers know exactly who is responsible for posting the fliers.

## PCC Fliering

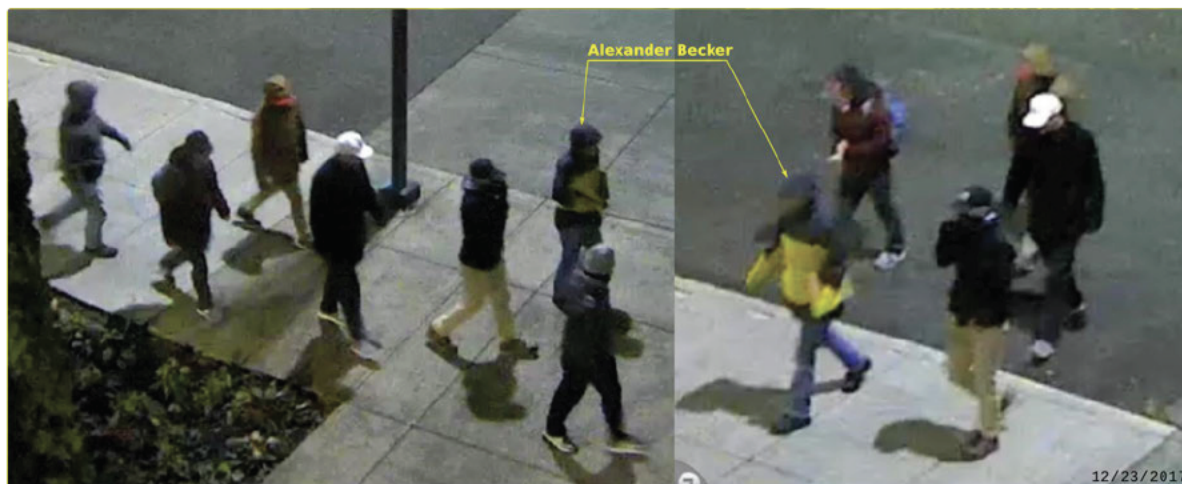

Although Rose City Antifa can't say for sure that Becker was involved in the fliering at Clark College, we do know he was part of the group of seven Nazis that flied the Portland Community College Campus on December 23, 2017.

Along with activists from the neo-Nazi group Patriot Front, members of the PDX Stormers put up a wide array of fascist and racist propaganda on the campus, which were all quickly taken down.

Alexander Becker is easily spotted in the surveillance camera images with other members of the PDX Stormers, wearing the same unique yellow jacket that he wore to both racist "It's Okay To Be White" rallies in Vancouver, WA (see above).

Also, his car, a green Mercury Mountaineer, was seen leaving the campus. See below for a full description of that vehicle.
